SUBJECT: Waiver or Credit for previous racing experience

We would like to make your experience in applying for an SCCA competition license a little easier. Depending upon your previous racing experience, some or all of your licensing requirements may be waived by your Divisional Licensing Administrator. This package will assist you in obtaining an SCCA competition license. You will need to document your experience and submit it with the SCCA application forms to your Divisional Licensing Administrator (listed below). If you have questions please contact Club Racing clubracing@scca.com or Member Service membership@scca.com.
